Debaters Prepare For Active Season

Tommy Argues Question Of Separate Air Force

Pre-season training is the objective of Tommy debaters now arguing the pros and cons of a separate United States Air Force. Under the coaching of Thomas P. Neill, social science instructor, debaters have had several intra-squad tutorials on this subject. The intra-squad resolution, which all college will debate during the coming season, has not yet been announced.

Public debate on this pre-season topic is to be scheduled soon. All debaters will be trained to uphold either side of the argument, no definite announcement of teams has been made. William Alexander, Kenneth Marin, Clark Wierhake, Robert McConnaughey, Robert Luikens, Florence Troy, Jeff Collins, and Mary Elise Marin are, at present, debaters under Mr. Neill's guidance, however, that the actual season has not yet begun and any intra-squad tutorials are regarded of previous experience.

An innovation in Aquinas debating is a two-hour training period each morning to teach Tommy orators in the techniques and theory of debating.

## Dempster Joins Naval Air Corps

Thomas Dempster, sophomore at Aquinas, enlisted in the United States Naval Air Corps on July 27. He will be called either with the January or the March quotas of recruits for a Civilian Pilot training course.

After two-month course and three months at Iowa University, Dempster prepares to complete six months of training there before he will receive his wings and his commission.

Henry Brakora, sophomore, and William Holmich, freshmen, are also pending final acceptance by the Naval Air Corps. They too hope to complete four months of training there. After this two-month course and three months at Iowa University, Dempster prepares to complete six months of training there before he will receive his wings and his commission.

## Council Distributes Thanksgiving Gifts

Irwin Impey, chairman of the Professional Life Committee of the Catholic Life Conference, has announced that the committee will distribute Thanksgiving gifts to the poor. In its former years of operation, the council distributed Thanksgiving gifts to the poor.

Acceptable contributions are canned goods, canned fruit, and vegetables, including butter and sweetstuffs. All contributions must be in by noon, November 25.

## Joint Army-Navy-Marine Board Tells Advantages of Joining Reserve Program

You have everything to gain and nothing to lose by enlisting in one of the three programs — new — said Lieutenant C. Howard, U. S. N., an Army-Navy-Marine joint board explained the various reserve programs open to college students, in the K. of C. Club, Oct. 25.

The program is represented by Marine Capt. Paul B. Richard, lieutenant; Mr. George W. Welsh, vice-president; and Mr. Henry Ritz, treasurer of the board. The Army program is represented by Capt. Milford V. V. V and V-777 program to interested listeners. The Army program, he explained, pays the way for a student who might otherwise not receive a college degree, and it is possible to take his place in the fighting forces as an ensign on one of Uncle Sam's ships.

Lieutenant C. Howard, U. S. N., an Army-Navy-Marine joint board explained the various reserve programs open to college students, in the K. of C. Club, Oct. 25.

The training period for a flyer in the Navy ranges over a period of 12% months during which the flyer receives high salary and various allowances.

"Act now, get yourselves drafted," was the keynote of the talk given by Capt. Ensign of the U. S. Army. The program was presented to interested listeners. The Army program, he explained, pays the way for a student who might otherwise not receive a college degree, and it is possible to take his place in the fighting forces as an ensign on one of Uncle Sam's ships.

"Act now, get yourselves drafted," was the keynote of the talk given by Capt. Ensign of the U. S. Army. The program was presented to interested listeners. The Army program, he explained, pays the way for a student who might otherwise not receive a college degree, and it is possible to take his place in the fighting forces as an ensign on one of Uncle Sam's ships. The program of the army also offers technical training in physical fitness, and mental fitness, the training period lasting approximately 105 months for the man who really wants to fly and fight.

If you can't fly, there are other divisions of the Army Air Force for you to work, offered Lieut. Wilson.

The last speaker was Capt. Richars, who emphasized the specialized training of the Mariner. "If you don't want to fight," said Capt. Richars, "you can't get into the Marine Corps. The period at Quantico, Va., the Marine base, is short and tough and you'd be good at it, etc."

The one dominant thought left by the Captains was, "Your job now is to get ready to fight."

This explanatory board was followed by the principal board, Nov. 9, which provided an overview in all programs of the various reserve programs which had passed the necessary physical tests. That joint board endorsed Stokoski, M.D., college physicians, to administer the standard medical physicals so that the phase of the examination could be completed the students' convenience.

## Major Welsh Dedicates Service Flag Honoring Alumni Fighting For Freedom

The Catholic Ethical Council has created a new national council, which all colleges will have to conduct at the College on the C.L.C., Dec. 10.

## At Dedication of Aquinas Service Flag

With Florence Troy presiding, Willard Hahnenberg, freshman, are, at present, debating.

Tommy Cagers, Gird For Hope

Basketball season's opening tilt at Hope college, Dec. 10, will find free Tommy Lentzome, plus recruits from the freshman class, on the hardwood, ready to make a bid for cage prominence. According to Welden Mililowski, who explains the Reverend Joseph Luther as coach, the boys are showing up very well in practices at the Y.M.C.A. gymnastics.

The season schedule, which includes sixotch teams in the state, will give the Tommies ample opportunity to show their ability.

Returning lettermen are Henry Braker, Jerry Howell, Bob Berles, Bob Rosenbach, and Jay McKnight. Freshman newcomers include John Doyle, Pat Brogan, all-conference forward of Ionia, Bob Hickey, Bob Bold, Terry Gitloipim, Jim Geuera, and Carl McKnight, all-city guard of Grand Rapids.
