Displaying decided interest, the student body responded with a variety of opinions to the Herald poll on the '48 Yearbook Nov. 12-13.

Majority Willing To Contribute '48 Yearbook

A dollar for the personal gratification? A yearbook, this student would not care to contribute to more. A yearbook is, after all, a sentiment of this minority is this the cost, $26 thought on as a price, Louise Donahue will not put out for $20; 23% considered it a good idea, 18% decided it was not needed; 18% want the whole way and newspaper. 95% of the people added 46% the comment that the amount should exceed this if necessary; 11% believed that a satisfactory yearbook could be purchased for $1.00.

Proof of the interest that the students have in the annual is the fact that 85% are willing to contribute an extra dollar to get a better 48'Thompson.

"A yearbook is an important way to remember your school year," said one student, "and also a good advertisement for the school — it is for all the students, so I think the planners have a definite obligation to make it as good as possible and, since it is something that affects us more directly than belonging to NO club, we expect the ones to decide whether or not to give it from our funds to European student relief."

On the other hand one student's suggestion was, "That the students who want a yearbook be put to better use.

Surprisingly enough certain students who really would go.
LYMAN'S GRIPE MAKES FOR FIGHT

At the Catholic Press Conference in Milwaukee there was a point brought up which we believe is of profound importance to the education of the students of Aquinas College. It was a statement made by one of the speakers, who charged that the trouble with Catholics nowadays is because they do not fully understand theological truths, they make foolish arguments in trying to explain or argue them.

This stands not only as a personal indictment of the speakers, but it seems to be coming to take steps in protecting our self-dignity. And that means taking the right steps while we have the best opportunity to learn the truth from the Church.

We strongly urge a two-fold program in this regard. (1) Take a positive interest in religious matters, and learn the facts, and learn them straight, and (2) involve all students in the various religious classes, Morality, Missions, and Catholic Action activity.

BAGATELLES

Stealing the spotlight from Mr. Canfield, we here present the first article from All-American touch team: Eft DeGruff, D. hottest Owens, Randy Brant, Mickey McCoy: Iggy Reid, Zygmont O'Tarrants; Bobert-quack, Angel, best of the editors of the Daily, Fred Buc­nash; Heft Laughbock, Corni Field Feutz... We that dared, but against any team in the Kent-Penn Conference, this team would know it was in a game.

Irony of the week: The co-editor of the Hall isn't so cold as it used to be, but, then, the Vic­nites as well.

Quoted Jim Orgeen as he handed in his Sociology mid and surplicitively (Web­ster's Collegiate Dictionary 6th ed.) may be obtained from Mr. Smith, Yester­day's then chief of the library, who was in the library at the time of this incident.

"How can you get rid of a territorial gover­nor?" asked the history class. "You can't, said Mr. Hall, and soon go on Stan, I'm listening."

"I can't read it and catch onto it. I been at it tree monts now."

"You, Mike, yi ha hit it right on da head, I have been reading a book. It's called Sum­mation and it is by Mr. Stan, who was a great story. Mr. Lewis merely presents a "blazing story" with a theme that a few will accept him for his merit, but be his ruination. The prospect of a Thank­siving holiday would nurse grapesfulness was it the first of the ice arrest. Mike is in frantic endeavor to begin work on term papers."

The pupil of the Aquinas way of life might be thankful for the institution of a single art course. It is the second of the type enough. He still has his life in spite of the Vic­nites as well.

"Just what spiritual activities are contem­plated?" asked Professor Clingman in a his­torical lesson.

"Sure, tings are tough now," Stan answered, "but don't ain't da tings that make for da happiness routine. Mike. Don't be mean, Mike, bigger tings don't make happiness."

"Noelcoy could be even a little glad, Stan, in a fix like you is in, wid out a job and wid a kid."

"Sure, I got a sick young'am and I lost my job yesterday, but a guy ha to pay for what he wants, and da ting I wants is so big dat da price is terrible"

"An and won't war all day da."

By now the two men were both leaning against the side of McGinty's, neither one having a drink.

CONGRATULATIONS

To Tony Fostert, ex ’40, and Irene Imperi, ex ’42, on their engage­ment. The wedding is set for June 18, St. Andrew’s Cathedral.

To Arthur J. Berucki, ex ’46, and Helen L. Sielawa on their recent marriage.

To Peter Parbel, ex ’20 and Lor­elaine De Graff who married in St. James church Nov. 15.

To June Martin, ex ’45, on her en­gagement to Gerald Butler. The wedding will take place, June 19, in St. Alphonsus Church.

To Mary Jane Ruschmann, ’46, on her engagement to Krywosz. Wedding in mid­July.

Tillie’s activities are many and var­ied, ranging from giving a welcome opinion at one of the forums to accepting your money in the cafeteria. She is one of the bricks in a wall, never clamoring for atten­tion, but quietly and capably doing her part to hold up the wall. A few minute rest period in which she could stand still and take a deep breath is her main ambition at present. Tilie needs no high­pressure salesmanship to sell her product — it speaks for itself—friendship.

As Westhoff Sees It

By M. K. Black.

“What do you consider the ideal life, I asked William Westhoff, rugged individualist from Saginaw, in an endeavor to explain the insid­e Westhoff, “and, also, what are your favorite pastimes?”

Bill shifted his ponderous body to a more comfortable position as his eyes assumed a searching, for­bidding look. I knew that, what­ever his answer might be, it would truly be his own idea.

Muskegs Boost Best College Hoop Record During 1946-47

Tommy Hopes Ride On Veterans; First Year Men Polish Quartz

Sports fans will get a glimpse of the 1947-48 edition of the Aquinas College basketball team tonight when the Muskegon Junior College quintet comes to town to do battle. The game will be played at the Central High School gymnasium.

Muskegon, holder of last season's best collegiate record, looms as a top-heavy favorite for the title. The Monomoymen are out to surprise. The Muskegs, who hold the great team of last year, and the large team turnover has made them strong in ability as well as large in numbers.

Admission in the other hand, while possessing a rather dismal 1946-47 record, is much stronger this year due to constant practice and the adoption of a definite style of play. The leaders of the Aquinas team, Joe Szalkowski, Bill Smolenski, Bob Wolf, and Raymond Westhoff, have all proved by the addition of Dan Schaidt, Dick Hill, Eardley, J. C. Feutz, and Jim Liedow considerably brightens the Tommy outlook.

Szalkowski has considerably strengthened the Tommies both offensively and defensively and Coach Jack Laidlaw is expecting many things from this Green Bay, Wisconsin, team. Wolf and Bernhard have been vying for the other forward spot and each should see much action tonight.

Schmidt has provided the team with the speed drive and his ability under the hoop should not be neglected. The freshman class is the most improved man on the squad and his height will be a decided advantage over the shorter opponents. Hildebrand is the center spot maintainer and his shooting ability will cause Tommy opponents much worry throughout the year. Muskegon will have to watch this six-footer very closely.

Laidlaw is improving rapidly and tonight's game should afford him the opportunity to cage some of his defensive cupboard pieces from the outer court. Hampered by a wrist injury most of the season, Laidlaw should be in peak form against the Muskegs. O'Conner, too, is rounding into form and may see considerable action.

Other members of the 15-man squad who are expected to see action against Muskegon tonight are: Jack Westerman, Dick Gazzella, Jerome Gayette, Bob Engstrom, Dave Cottell, Tom Drizoli, and Bob Ellis.

### Upperclasses, Frosh Tie 6-6

A minute and a half interception and a forty yard dash down the field gave the freshmen a touchdown to knot the score at six all in the upper-classmen-freshmen classic played at Aquinas gridders, Friday, Oct. 31.

This was the second game in the freshmen-upperclassmen series. In last year's skirmish, an overconfident freshman was upset by the seniors.

The sides in this year's contest were evenly matched throughout the entire game, the half ended with neither team scoring. It was only in the waning minutes of the third quarter that the upperclassman squad managed to sneek a touchdown. A "sloucher" caught the freshman by surprise, and Wojtaszek intercepted a pass and ran it in for a touchdown.

The freshmen failed to make the extra point and the game ended a 6-6 tie.
