Information reaching us from the Veterans Administration Office in Columbus is that the first checks to veterans enrolled for this term will not commence to appear in the mail until around Nov. 7. So you are advised to arrange some budgetary scheme to tide you over until that date. If you do not receive your subsistence allotment within a reasonable time after that day, contact your local VA office.

Meet Your Organizations

Two of the major organizations of student life are the Alumni Association and the Women's League. Alumni News, 48, Bay City, is the new publication of the Alumni Council and the Washington, D.C., office is under the leadership of the president of the League, while the Women's League organs are The Student Delegate, Senior Class Delegates, and the Women's League office. The Student Delegate, which is published three times a year, gives the student a chance to express his opinion on current events and campus developments. The Senior Class Delegates, who are elected by the senior class, play an important role in maintaining the campus as a medium through which the Catholic Church and the ideals of the College may be maintained. Each group supports its own rooms at the college where its members may relax or study.

Figures Show Increase In 49 Enrollment

Despite a marked nationwide trend of fewer enrollments this year, Aquinas' attendance figures for the fall quarter of 1948 indicates an increase of 6% over 1946-47. Although colleges throughout the country have reported drops of 10 to 20 per cent in enrollment, Aquinas' vice-president, Sister Maris Stella, O.P., states that the college is faring better than most of the高等院校. This is due to an increase of 12 per cent in the freshman class, while sophomore and fresh­man classes show decreases. Freshman numbers have increased from 374 to 436, while the Frosh class is down by 27 students, going from 160 to 133.

Way to the Women's Social activities may suffer as a result of the recent enrollment figures. The usual male-female enrollment ratio appears to be maintained. While the loss of 24 per cent in the numbers of veterans has resulted in a lowering of the female-female enrollment ratio, the numbers of male students, while the ladies enrolled their figure 15 per cent. An important factor in determining the size of next year's enrollment is the slight decrease (5 per cent) in the freshmen, predominantly female class, as compared to 32 per cent loss in the other classes. This suggests the overaveraging of the female college enrollment over the past year, a tendency to lower the female-female enrollment ratio.

A study of the 1948 enrollment statistics shows that 1032 students are enrolled this year, an increase of 17 per cent since 1946. This increase is due to an increase in the number of male students, while the ladies enrolled their figures 15 per cent.

Library Adds Titles

Student Delegate To Be Elected

Several well-known titles have been added to the Aquinas library in an attempt to continue its policy of providing quality material useful for research and pleasure. Among the new titles are: Death of a Salesman, by Arthur Miller; Beowulf, the medieval epic poem; The Lord of the Rings, by J.R.R. Tolkien; and The Travels of a Tumbleweed, by Peter Abelard, and Tumbleweed, the sequel.

Freshman students were officially accepted into the Student Delegate, Senior Class Delegates, and the Women's League office. The Women's League has for its objectives the fostering of the spirit of unity among the women of the college, and by means of social, cultural, and amusement activities. The Women's League is organized into committees, each of which is responsible for a particular aspect of the activities. The Women's League office is located in the basement of the college, and all members are expected to attend meetings and participate in activities.
