O. A. Brinckman
A Symposium commemorating the 150th anniversary of the birth of Orestes A. Brownson, foremost Catholic thinker and writer of the early 19th century in America, will be held in the college library, Wednesday, Nov. 18, at 4:15 p.m.
Russell Kirk, author of the cur- rent best seller, The Conservatives Mind, will be the chief speaker. His topic will be "Brownson and Judaism in America." Dr. Kirk, who recently resigned from the faculty of Michigan State College in pro- test to what he called its lowering of standards, is a prolific writer. He contributes regularly to the Yale Review, Newsoons Review, the Toronto Quarterly, the London Monthly, Journal of the History of Ideas, Praxis Review, and others. He has made a rather exhaustive study of Brownson and his con- tributions to American thought.

Several students from the college will take part in the sympos- ium, speaking on Brownson's labors background, his connection with the Transcenden- talists, and his association with Fa- mous Men of the 19th Century. Among these students will be seniors James Gustafson, Laurie A. Feinblatt, and Charles L. Humphrey.

Attendance will be strictly by invitation. Because of limited space in the library, the audience will probably be restricted to majors in philosophy, history, economics, and English. Students from other conserva- tives from civic organizations.

A coffee hour will follow the sym- posium program.

November - December

We here are back again with all the news about your favorite people - the alumni.

Seems that being circulation manager for the Herald left a mark on Mollie Breuner, for she was the first one in the Class of '53 to send in her subscription. That's the voice of experience! Speaking of subscriptions, Emmet Friar, '53, and chairman of St. Mary's, Muskegon, kept right in tune by drawing a notched staff on his subscription blank. That was getting the "do" in! Next time send a singing telegram, Emmet!

Attention to the class of '53, William Riosdel is now standing at attention, and according to his new little wife, would like some real news from you, so get out your pen and write to -

Pvt. William Riosdel

Camp Chaffee, Arkansas

Attention to the class of '52, another '53-er, who wants to be known only as Mrs. Al Reider, sophomore one-letter winner from CC. An outstanding guard candidate, according to Baker, is Bill Kohla, freshman and member of the Michigan State Championship Muskegon St. Joseph varsity three-year varsity man at Aquinas, and Gary West, all freshmen from Catholic Central.
