Mid-Winter Night's Dream Sets Theme For Homecoming

Senior class officers Fred Sebulke, Tom Laberteaux, Carol Lehman, and Pat O'Leary are engaged in creating a school look for weekend in the bistrohouse of "Homecoming." Scheduled to initiate the activities is the commencement of Tommies with Ohio Northern University, Sat., Feb. 13, 2:30, at West Catholic gymnast, Promontory, a victory for the home team, students and faculty will rally in from of the administration building to organize a parade and a variety of cars will file through the gymnasium. The procession of cars will be led by the recently elected Homecoming Queen and her court.

As master of ceremonies during the half-time activities, Bill T. Murphy will introduce the Queen and attendants at each royal figure of dedication to her religion, and to the advancement of education has borne rich fruit, Central Michigan Carmelites proved to be one of the most representative groups, in the United States, according to her recently elected Homecoming Queen and her court.

CMU Honors

"Because she is one of Central's distinguished alumnas and because her life of dedication to her religion, and to the advancement of education has borne rich fruit, Central Michigan Carmelites proved to be one of the most representative groups, in the United States, according to her recently elected Homecoming Queen and her court."

Mu Theta, the national honor society, organized a dialogue on the teaching and learning process. The purpose of the CMU Honors Program is to provide a "intellectual climate for the development of students to meet the challenges of the 21st century." The program offers opportunities for students to engage in research, to participate in internships, and to extend their knowledge and skills through a variety of activities. The CMU Honors Program is open to all students, regardless of major, and provides a range of opportunities for students to develop their intellectual and personal growth.

Mother Victor

Leading a Master of Arts degree or a Master of Arts in Teaching degree.

Aquinas salutes Mother Victor for her outstanding devotion to her religious orders to form the CMU Honors Program, which is designed to provide students with opportunities to engage in research, to participate in internships, and to extend their knowledge and skills through a variety of activities. The CMU Honors Program is open to all students, regardless of major, and provides a range of opportunities for students to develop their intellectual and personal growth.

Miss Horgan Heads Orientation Program

Now that Miss Horgan is back at Aquinas the orientation program for the students in the Department of Latin America will soon be in full swing. At last count there were 15 students and 2 nurses who will be working in South America this summer.

The activities at present consist mainly of fund-raising endeavors. Everyone is probably aware by this time of the candy drive which is reportedly going very well. The OPLA group has been selling candy not only at Aquinas but also at the shopping plazas of the Homecoming officers. They also sponsored a dance Feb. 6 in the Chapel.

The group is also tentatively planning a theater train either to Detroit or Chicago later in the year.

To give all students a chance to participate in OPLA even if they are unable to go to South America, the group is selling membership cards on a gratiuous basis. This will allow students to be recognized as such and be participants in the project.

International Relations Club Prepares Tomorrow's Citizens

In his message to the American people on January 30, 1964, the President of the United States said of the United Nations:

"As an American, our duty is to support the United Nations because we are convinced that the United Nations is a plain fact in the history of today. It is essential for you, for leaders of tomorrow, to understand fully this nation's commitment to the UN and the UN's commitment to the world."

In a recent address to the CCUN participants, on occasion of the organization's 15th anniversary, Mr. Hugh翛 E. Dick, United Nations, spoke of the UN's role in the world. He said that the UN is not a neutral body, but a voice for informed student opinion. Dick said that the UN is not a neutral body, but a voice for informed student opinion. The purpose of the CCUN is to encourage an understanding of the United Nations and its structure, organizations, aims and accomplishments, and to stimulate an interest among students in the position of their country in various international issues. The CCUN has a long and active history in the area of international relations.

The CCUN is an organization that aims to provide students with an understanding of the United Nations and its role in the world. It seeks to promote an awareness of the UN's contributions to world peace and security, and to encourage informed student opinion on international issues. The CCUN's activities include organizing events and discussions, as well as providing opportunities for students to engage in research and other projects related to international relations.

Seniors Prepare for Comps

Each spring graduating Aquinas seniors in the English, music, French, and German departments are required to take comprehensive examinations. These examinations survey the student's four years of work in his major field.

The French exam consists of a three hour written test covering all the literature, history, composition, and civilization. There is an oral section in which each student recites passages, poems, and other literary works.

German graduates are asked questions by the three German professors for an hour. The entire exam is oral.

The music department holds public recitals for those majoring in music and grades according to the performance given.

The English exam consists of an objective section and an essay section. Until this year the English department did the research and the results were presented in the essay section. This year, as a result of a petition by the seniors, the exam will include an objective section and the preparation for the comprehensive exam will be based on the research topic selected by the student. It will deal with the hero in the literature of the particular period.

History Group Meet

The Beta chapter of Phi Alpha Theta, the history honorary society, is involved in a series of discussions on various topics concerning history. The next meeting, Feb. 4, will feature a dialogue on the teaching of history. The discussion will be based on the point of view that the teaching of history should reflect the views of the students.

International Relations Club Prepares Tomorrow's Citizens

President Maurice Forhet points out his native Lebanon to the other officers of the International Relations Club: (l-r) Fracovik, DeGirme, and Kathy Splan.

"We seem only to exist in a corner of the whiteman's world."

A Jar of Peanut Butter, Please

by RICHARD SEYMOUR

The Kristal Bowl

by froppy

Dear Fellow Aquitans:

I am quite sure that you will love this opportunity to share some of the experiences of a first-year student in Germany with you. Although I am not with you this year, I like to think of myself as a member of Aquinas, at least in spirit, until I return to you. I am leaving now by flying and I hope that you will all succeed in it. Germany is a much different country. There is no "school spirit" here as we would understand it, but a great giving between schools. There are no sports rivalries as between the colleges. The university serves only as a nucleus. There is no campus here, and the dorms are scattered all over the city. Students from several colleges and universities are to be found in the same dorm. The sense of belonging, which we experience so much in school and campus life, is what could be described as "family togetherness" in the dorms.

From the President's Desk

by MEANY

Ten years ago, a movement unusual for Aquinas began. A few students, led by Brother Michael and Richard Seymour, decided that the Library, at which the President resides, was responsible for maintaining the records of the student catalog. The students decided that all records should be maintained by the book window, and that the President would be responsible for maintaining the catalog.

Chaplain Brings Innovations To Late Afternoon Mass

The "new liturgy" of the Church is not a new liturgy at all, according to Fr. Urban Sherkey. The program for a service that has been added, taken to, from, and changed in the celebration of the Mass has been "diversified," Sherkey said, "but has merely been re-arranged. The important part is whether any of the many changes actually date as far back as the Church's infancy."

"We have been rather conservative," he said in reference to the innovations at Aquinas, "because Miss McAllister's poetry has been acclaimed in such publications as The Kenyon Review, Points, and The Dublin Review. She divides her time among Grand Rapids, New York, and Dublin, where she became acquainted with Brendan Behan. The poem Miss McAllister read to us is included in her recently published Arms of the apparent reluctance of the administration in having concluded this liturgy is Mise Hogan's."

Miss Hogan proudly displays some of the souvenirs of her travels.

When asked about her encounters with Irish legend, Miss Hogan stated that her name was synonymous with the Irish flags, pots of shamrocks and pictures of the Holy Mountain decorating her desk.

especially if one is fortunate enough to be born with a spring of shamrocks in one's veins. As this reporter left her office, Miss Hogan appeared to be adjusting well to the change with what the Irish flags, pots of shamrocks and pictures of the Holy Mountain decorating her desk, despite the fact that the object of one of Miss Hogan's favorite students was surprised by a surprising changeable character.

"We have been rather conservative," he said in reference to the innovations at Aquinas, "because Miss McAllister's poetry has been acclaimed in such publications as The Kenyon Review, Points, and The Dublin Review. She divides her time among Grand Rapids, New York, and Dublin, where she became acquainted with Brendan Behan. The poem Miss McAllister read to us is included in her recently published Arms.

Delivering a Seminar in the Zoology Department at the Grand Rapids Art Museum, Thursday, Jan. 21, Miss McAllister read to us a selection from her theories on the tales of James Barry, who specialized in writings on the connectedness of man to the natural world.

Miss McAllister's poetry has been acclaimed in such publications as The Kenyon Review, Points, and The Dublin Review. She divides her time among Grand Rapids, New York, and Dublin, where she became acquainted with Brendan Behan. The poem Miss McAllister read to us is included in her recently published Arms of the Irish countryside. On an excursion to County Sligo she located seven of her second cousins as well as a huge snowman.

Hugh O'Neil, who defeated the President John F. Kennedy during his campaign for a seat in the United States Senate, break trip to Quebec. The highlight of the season was a trip to the university where the team participated in a two-day conference. The conference was given in the college chapel to an audience of students and faculty, who had an opportunity to question Miss McAllister on her theories of poetry.

**Sports Beat**

**Sports Keep Father Close To Students by PETE DAUNIT**

Father John Hart, O.P., is an active participant in sports around the college. Officially, Father Hart is the Chairman of the Athletic Board of Control at Aquinas, but his unofficial duties are much more extensive than that. But these aren't really "unofficial"—Father participates because he wants to.

"I enjoy sports," Father told me, "skiing in the winter, and golf in the spring giving me the exercise I need, and at the same time keep me close to those who are my life—my students. Besides," he added, "after a long session in the classroom, nothing please my students more than to get even with a superior performance on the greens or slopes."

In addition to skiing and golf, Fr. Hart often plays Intramural basketball, and bowls every Thursday afternoon with the Aquinas bowling league at East Recreation.

**Good Work Fans!**

**EDITOR'S NOTE:** The following is an excerpt taken from the Ferris State College newspaper of Jan. 22, 1965. Congratulations go out to the Tommie basketball fans. Keep up the good work!

"Aquinas played their hearts out and the support they were given was a fine compliment. Even our few followers was something to admire. Even at a great disadvantage they were outstanding and hopelessly in the wrong."

"I call it the cry 'Hustle,' 'Hustle' was heard repeatedly across the floor."

The news stories and how these facts affect you, your country and the rest of the world, is a good indication of how he is doing.

The International Relations Club, cont.

The International Relations Club of which meets monthly around a discussion group on a good number of page, you can provide with you information about all of these countries and issues and many more which will enable you to formulate an adequate view. You will become a leader of tomorrow.

The J.V.'s success is due to the dedication of the Toms. Father Hart helped to defeat the Sailors as John Otterbacker came up with 406 points. Dick Van Dyke rolled a high game of 191 to defeat the Skippers as Dick Van Dyke rolled a high game of 191 for Rotten Luck.

**Senior's Lead I-M Action**

Now that the intramural basketball season has begun there is a schedule its looks like the team to beat is going to be the sparkplugs and AND CO. They have great talent in the person of Ed Kozak, Greg Gregorke, and Larry Kozal. Saturday's play the old-TIMERS came up with an amazing score of 83 points to defeat the LATE COMERS who could muster only 39. The score was almost as amazing as the shots that the Northern Michigan flash, Mr. Kozal, is willing to do it for the Allies. Rats as Ken Wozniak had a total of 407 pins for the Yankees. Louis McDonald couldn't quite win the match by herself as she rolled a total of 450 pins for the Allies. Rats. Rats reversed itself to defeat the Skippers as Dick Van Dyke rolled a high game of 191 for Rotten Luck.
